

I intended asking for that on the phone yesterday -

The Voorhes family (my-in-laws) lunched with me yesterday & I kept Annette on. She is just home from Europe & full of it all.

I am off tomorrow for Weehawken & on to Greystone. If I have good luck & no drawbacks will be away nearly two weeks.

Much love to all your nice family
Cordially
James Noel Hall.

Sunday, a Summer bachelor, a young Englishman dined here & told thrilling tales of the war -
